

Exhibit at BlueTech Event 2026

6 May 2026 · Svendborg, Denmark

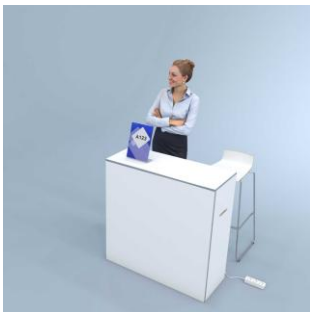

On the 6 May 2026, BlueTech Center will host the first ever BlueTech Event in the city of Svendborg, Denmark – a new international platform dedicated to maritime innovation, networking, and practical knowledge sharing.

Why should you have a stand?

- Meet decision-makers from shipping companies, shipyards, ports, and defence
- Show what works with hands-on demos of your solutions ready for implementation.
- Win new business through targeted networking
- Boost visibility in Fyn's fast-growing maritime ecosystem, home to 120+ maritime tech companies.
