

INVITATION

6TH OF MAY | 8:30 - 17:30

Join us on the **6th of May 2026**, as BlueTech Center hosts the very first BlueTech Event in Svendborg, Denmark – a new international gathering dedicated to new maritime technology, innovation, knowledge sharing, best practice, new partnerships, and high-value networking.

- Meet and mingle with maritime companies at their stands and explore the latest maritime technologies, products, and solutions.
- Catch live talks from leading businesses on multiple stages, focusing on real-world tech and implementation.
- Discover innovative startups and hear pitches about what's next in maritime technology.
- Experience live demos straight from the harbor outside – this is a one-of-a-kind opportunity to see new technology in action!

Whether you work in shipping, ports, maritime suppliers, tech, startups, or investment – or simply care about maritime innovation – this is the place to connect, learn, and get inspired!

Date: Wednesday 6th of May 2026
from 08:30 – 17:30

Address: SIMAC, Nordre Havnevej 4,
5700 Svendborg, Denmark

It is FREE for guests to visit the event.
