

# DELEGATION TOUR

5TH OF MAY | 11.30–21.30

You are invited to join an exclusive delegation tour around Funen, Denmark, where you can discover our maritime ecosystem.

Get a deeper understanding of the maritime ecosystem on Funen and why Funen — and especially Svendborg — is a national epicenter for new maritime technology.

## Why you should join

- Attend exclusive company visits at leading maritime organisations
- Get insight into technology, solutions, and maritime innovations
- Network with Danish companies, stakeholders, and key players in the industry
- Attend an exclusive networking reception where new relationships can be built in an informal setting

## Program

- |       |                                                                                                                                                       |
|-------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| 11.30 | - Arrival                                                                                                                                             |
| 12.15 | - Bus departure with introduction to the maritime ecosystem                                                                                           |
| 12.30 | - Visit <a href="#">SH Group</a>                                                                                                                      |
| 14.00 | - Visit <a href="#">Maersk Training</a>                                                                                                               |
| 16.15 | - Visit <a href="#">Odense Port</a> with a presentation from <a href="#">Tuco Marine Group</a> and <a href="#">Large Structure Production (LSP)</a> . |
| 19.00 | - Maritime Networking Reception in Svendborg                                                                                                          |
| 21.30 | - Thank you for today                                                                                                                                 |

# PROGRAM

5TH OF MAY | 11.30–21.30

## 11.30 – 12.15

### **Arrival, lunch and networking**

Upon arrival guest can settle in, have sandwiches while networking. Prepare for a day exploring Funen's maritime ecosystem.

Address: Oestre Havnevej 2, 5700 Svendborg  
Meeting room: Kraftværket

## 12.15 – 12.30

### **Bus departure**

We board the bus and head out for a series of company visits at leading maritime organisations. On board the bus there will be an introduction to the maritime ecosystem by CEO of BlueTech Center, Lars Ahrendtsen.

## 12.30 – 14.00

### **Visit to SH Group.**

We will visit SH Group, a leading supplier of hydraulic, mechanical, and electrical solutions for the maritime sector, as well as the Defence, Energy, and Marine Electrification industries. During the visit, guests will gain a unique insight into their technologies.

## 14.00 – 16.15

### **Visit to Maersk Training.**

We continue to Maersk Training, where participants will be introduced to world-class simulation-based training environments. As part of A.P. Møller-Mærsk, Maersk Training delivers advanced training solutions for customers in the maritime, wind, and oil & gas industries.

## 16.15 – 19.00

### **Visit to Odense Port and Large Structure Production (LSP).**

During this visit, there will be a presentation by Tuco Marine Group and Large Structure Production (LSP), followed by a guided tour of the port. Here, participants will experience Odense port up close and gain insight into the scale, operations, and daily life of this expansive industrial area. Discover what happens behind the gates, and see firsthand what happens at Denmark's largest industrial port.

## 19.00 – 21.30

### **Maritime Networking Reception**

The day concludes with a relaxed dinner together with key maritime stakeholders. The reception takes place at Pakhuset, a charming waterfront venue that provides the perfect setting for informal networking and good conversations.

Address: Pakhuset at Havnepladsen 2, 5700 Svendborg
